Bid Matching Program

- As soon as a project is let the proposal is broken down line item by line item.
- Each DBE that has joined the program will receive several emails with work opportunity reports that match their work type.
- DBEs will receive separate reports for each type of work that they do.
- DBEs will be able to access the proposal and a list of plan holders through active links in the report.

Bid Matching Program

- The next group of slides will show an example of the reports DBEs will receive via email and demonstrate how to use those reports. The examples are from recent bid matching reports distributed to Florida DBEs.

Bid Matching Program

- The attachment in the email when opened will look like this..
